

# \$5,000 Annual Local Church Evangelism Budget Request

Every local church in the Gulf States Conference is able to request \$5,000 from the conference for the use of evangelism in their community.

---

## Guidelines:

- ❖ All of the funds must be used for some type of evangelism. They cannot be used for the operation of the local church.
  - ❖ The local church is encouraged add some funds of their own for evangelism. The recommendation is to match with an additional \$5,000.
  - ❖ There must be at least Seven (7) nights of public meetings included in the local churches evangelism plans.
  - ❖ No closeout report will be required of these funds as long as they are used for the sole purpose of evangelism.
  - ❖ Any additional money left from the public meetings can be kept at the local church as long as it continues to be designated solely for evangelistic purposes.
  - ❖ This request will only be received once a year. Additional evangelistic funds will require an itemized budget request form.
